Dear Raimundo:

Congratulations on becoming a **Certified Virtualization Expert™** (CVE™). Your CVE™ Certificate Number is 001164. As a CVE™, you have been tested and shown that you have attained a level of expertise in the virtualization industries practices with a strong concentration in the installation and use of VMWare products. We are confident that you will now deliver superior and confident service using this knowledge.

VMTraining, Inc. offers certified professionals a password-protected website that will give you access to the CVE™ logo, the corresponding logo guidelines, our legal agreement, and additional information that applies to this premier certification. To log on to access this information, go to <http://www.vmtraining.net/certification>, and enter your user name **CVE** and the password **certifiable**.

As a **Certified Virtualization Expert™**, you may use the CVE™ logo on your business card, letterhead, and any promotional materials as long as you following the logo usage guidelines. Downloadable versions of the logo are available on the certification site outlined above.

If you have questions regarding the certification web access, or questions regarding your certification, please contact us at certifiable@vmtraining.net.

We wish you the best in your future career in the virtualization industry.

Sincerely,

The VMTraining Team
