

## REPORT OF EVALUATION OF EDUCATIONAL CREDENTIALS

**NAME:** Raimundo Alejandro Rodulfo

**COUNTRY:** Venezuela

**PURPOSE OF**

**EVALUATION:** Education &  
Employment

January 10, 2005

The following is a response to Mr. Rodulfo's request for an evaluation of his academic credentials from Venezuela. This evaluation is based on official original academic credentials.

Mr. Rodulfo attended the "Miguel Jose Sanz" Professional and Diversified Cycle School (Plantel Ciclo Diversificado y Profesional Miguel Jose Sanz). The "Miguel Jose Sanz" Professional and Diversified Cycle School is a recognized (accredited) high school in Venezuela. Mr. Rodulfo was awarded the Diploma of High School Graduate in Sciences (Bachiller en Ciencias) by the Ministry of Education on July 29, 1987. This is the equivalent of graduation from a college preparatory program at an accredited high school in the United States.

Mr. Rodulfo attended the "Antonio Jose de Sucre" University Institute of Technology (Instituto Universitario de Tecnología "Antonio José de Sucre") from 1988 to 1995. Founded in 1972, the "Antonio Jose de Sucre" University Institute of Technology is a recognized (accredited) private institution of higher education in Venezuela.

Mr. Rodulfo graduated with the degree of Electronic Engineer (Ingeniero Electrónico) in 1995. This is the equivalent of the U.S. degree of Bachelor of Science in Electrical Engineering earned at a regionally accredited institution of higher education in the United States.

All courses in English were studied as English as a foreign language.

This evaluation may not be used for the Florida Board of Professional Engineers.

This evaluation is a statement solely of educational equivalence; only the qualified authorities can determine whether an individual educated abroad can be licensed in the United States.

In summary, it is the judgment of Josef Silny & Associates, Inc., International Education Consultants, that Mr. Rodulfo has the equivalent of the U.S degree of Bachelor of Science in Electrical Engineering earned at a regionally accredited institution of higher education in the United States.

Sincerely,

Jennifer Gold
